

# Vignesh Chowdary A V

INTERNSHIP

## Profile

As a second-year student at NIT Rourkela, I am thrilled to showcase my programming prowess through two notable projects. These include a Django-fueled college management website and a React-based crypto platform that utilizes the CoinGeek API. My passion for Python, AI, and ML drives me to seek out new learning opportunities, and I am eager to apply my skills to your team's innovative projects as an intern. Let's partner together on this journey of growth and push the boundaries of innovation to new heights!
